Â DNA STRAND

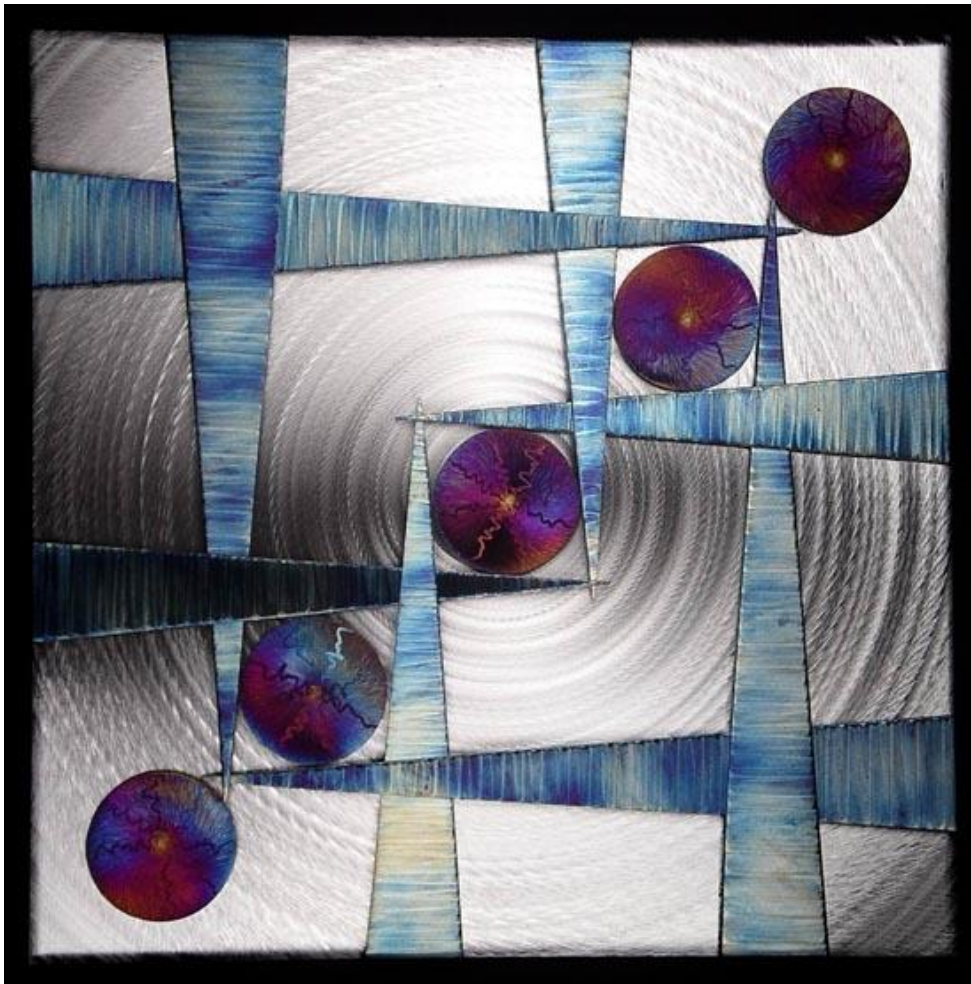

Â

Title: Â Â Â Â Â Â Â Â Â Â Cosmic DNA Strand

Medium: Â Â Â Â Â Â Â Â Stainless Steel & Mineral Texture

Dimensions: Â Â Â Â 350 x 350 x 10

Description: Â Cosmic DNA Strand is an original artwork that comprises of hand etched and colored disks that float between the hand etched, icy blue terminations, mounted on a hand etched stainless steel back plate that forms part of the mild steel black box frame. My interpretation of a strand of DNA from our cosmos. Â
